

MONITOR YOUR LP TANK & PREPAY CONTRACT EASILY WITH THE AG PARTNERS APP

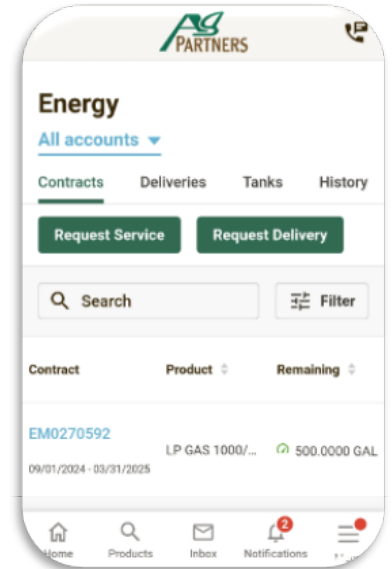

Want to know how much is left on your prepay contract?

The app gives you the ability to track your prepay contract in live time. It also allows you to view your price paid and gallons contracted.

Tired of having to trek through snow, ice and rain to see your tank percent?

With the Ag Partners app you can see your tank percentage on your phone anywhere with an installed monitor at no extra cost to you. Request delivery to your tank with ease using the Request Delivery button pictured.
